

Let's make...

Handprint Friendship Flower!

Materials Needed

Construction paper
Markers or crayons
Paper plate
Paper towel tube

How to Make It

1. Ask several of your friends to trace their hands on a piece of construction paper
2. Cut out each of the hands
3. Glue the hands around the edge of your paper plate with the fingers pointing outwards
4. Color in the center of the paper plate that is not covered with hands
5. With the help of an adult, staple the paper plate to a paper towel tube for the stem.
