

Let's make...

Puzzles

Materials Needed

Popsicle Sticks
Markers
Tape

How to Make It

1. Lay out 9 popsicle sticks in a row on a newspaper or other surface you can get messy.
2. Lay tape across the top and the bottom of the row of sticks.
3. Flip over the taped pieces.
4. Draw a picture on the clean side of the sticks with your markers.
5. Allow your picture to dry.
6. Flip the sticks back over and remove the tape.
7. Mix up the pieces of your puzzle!
